

WELCOMING REMARCS

www.marc-radio.org

You're cordially invited to visit our Amateur Radio Club. Affiliated with the American Radio Relay League, we're a general-interest ham club that welcomes old-timers and newcomers alike.... all ages, all license classes. Dues are \$15 per year for the first ham in a household. Additional hams pay just \$5 a year for full membership privileges. Unlicensed persons may join for just \$5 per year.

ACTIVITIES & SERVICES

FM voice repeaters: 147.06/R (Newtown Square, 131.8 Hz CTCSS), 145.13/R (Paoli, 131.8 Hz CTCSS). These repeaters are normally linked.

Annual hamfest in Kimberton, PA

Field Day

REMARCS newsletter (paper edition or PDF electronic edition)

Web page (www.marc-radio.org)

E-mail news updates and meeting reminders

Monthly meetings with interesting programs on emergency preparedness, technical topics, etc.

Public service communications in the western Main Line area

License exams four times a year (membership benefit is one free exam session per year)

NETS

- * Traffic (message-relay) nets Mon / Wed, 8:30 PM on the repeaters
- * Club net Sunday, 8:30 PM on the repeaters
- * Chit-chat net Thursday, 8:30 on the repeaters

All hams are welcome to check into our nets. Traffic nets are affiliated with the ARRL National Traffic System and teach important emergency communications skills.

CLUB MEETINGS

MARC meetings are on the third Tuesday of the month at the Tredyffrin Township Building near the Chesterbrook development in Wayne/Berwyn. Meetings begin at 7:30 PM. The room is smoke-free and handicapped accessible and there's ample free parking. Directions are posted on the club web page.

FIND OUT MORE !

Check into a net, visit a club meeting, look at our web page. You can request a sample copy of our newsletter (paper or electronic version). Send an e-mail to the editor (dhauer@gis.net). Please say whether you would like the paper or electronic version. The electronic version requires an ISP that allows attachments and the Adobe Acrobat Reader installed on your computer. The reader is a free download from Adobe (www.adobe.com).
